

WELCOMES

Dr. Larry C. Ashlock

Friday, June 15, 2012

2:00 pm, Chemistry 153

PhD degree in Ethics and Medical Ethics from The Open University (United Kingdom)
Professor of Pastoral Leadership and Ethics, B.H. Carroll Theological Institute
Director, Doctor of Ministry Degree
Founder and Executive Director, Baptist Center for Global Concerns, non-profit

"The Ethics of Medicinal Plant Research: Benefits, Burdens, and Choices."

The conference provides students and educators with a background to the ethical dimensions of research. The conference leader will offer an ethical analysis of the benefits and burdens of research on medicinal plants and introduce a model for making good moral choices in the research arena.

**Minority Biomedical Research Support
Research Initiative for Scientific Enhancement
(NIH NIGMS Grant # R25GM061222)**
